

## Programa de Líderes Emergentes en las Américas 2025-2026 (ELAP) | Universidad de Montreal

- **Spots:** we can accept up to **4 applications from each partner university.**
- It is the students' responsibility to ensure that each of their scholarship supporting document meets the requirements of the scholarship program as students will not be given the opportunity to resubmit their documents. The scholarship program will automatically reject the application if the supporting documents do not meet the requirements.
- **Language:** proof of minimum B2 French proficiency is required for a course-oriented exchange (some programs of study require higher scores and specific tests), please see our [website](#) for more information. The only programs of study that offer courses in English are the [Bachelor/Master](#) in English Studies (any type of proof of B2 English), the [Master in Comparative Common Law](#) (IELTS 6.5 or TOEFL 90 required) and the Master in Business Law (IELTS 6.5 or TOEFL 90 required). There is no language requirement for research-oriented exchanges.
